OLD BUSINESS

Minutes

A motion was made, seconded and passed to accept the minutes as prepared.

July 4

The July 4 events were reviewed:

- The magician was well received
- The fire department and the scouts participated in the parade, which started 30 minutes earlier this year.
- Volunteers included Joe and Molly Storey and the Greens, who helped with the games.

Bill Totten offered to come to our meetings to identify opportunities for his troop to help the community.

Summer Entertainment Series

The last concert was well received. The musicians were good, and they had the crowd up and dancing. The snack bar stayed open and made a good amount of money.

There was much discussion on how to better advertise the events. Signs should also be made to post at these events stating that the SBPCA is sponsoring the show.

The next concert is August 3. We need volunteers for set up, during and clean up.

Set up	Chris & Elliot
During	John & Sharon Adamo
Clean up	Adam

The next movie night is August 24. The movie will start at 8 pm. Adam will select the movie. Volunteers are:

Set up	Chris & Elliot
During	Adam
Clean up	Nancy & Ted

At the last movie, we had a popcorn machine that cost \$100. Adam will check to see if the snack bar will stay open for the movie. If not, we will have the popcorn machine again.

Rezoning on Bel Pre Road

Six acres of land on Bel Pre are up for sale to a shelter corporation to build a 120-unit, 4-story senior citizen assisted-living facility. No meals will be furnished. The Master Plan does not allow for more special exceptions in that area. There are already several facilities in that area. Planning Board is not in favor of this. They said they will review the proposal when it is submitted. Max has asked for a copy of the proposal.

NEW BUSINESS

Signs

Max looked into signs to advertise the summer series and July 4. For an 18" x 24" sign the cost is:

1 sided - If we purchase 1-4 signs they are \$35 each. The price for 5 or more is \$25 each.

2-sided – If we purchase 1-4 signs they are \$49 each. The price for 5 or more is \$35 each.

A motion was made, seconded and pass to allow Max to order 10 signs for the summer series. Two will contain wording that we are sponsoring the event and they will be placed at the pavilion.

Photo Contest

The deadline for the contest has been extended to Labor Day. So far there are 15 submissions.

Next Meeting

The next meeting will be held on September 24, 2013, at the pavilion at the pool.

The meeting was adjourned at 8:45 pm.
