Chris Swan	(Board)

Old Business

Minutes

The minutes were not completed for our June meeting as Linda was away.

New Business

July 4th Festivities

We reviewed the entire day's events with Lilla and Justin. Everything went well and we had a good crowd for the parade, magic show and games at the Pool.

Movie Nights

We hosted two movie nights so far this year, the first on a rain date of June 16th and July 7th. Both have been very successful with a good size crowd both nights.

Music Night

We hosted a music night on June 29th and a limited number of folks attended, but the people who did had a great time.

Community Forums

We hosted two very successful community meetings in the Pavilion this summer. The first was a meeting with the local postal service leadership Lisa Hatton, Frank Gilliard and Charnee Humphrey's on July 12th. We had a good turnout of about 30 neighbors and tons of questions and feedback was received. On July 17th we welcomed Kye Pak, Sharif Hidayat and Gerald McFarland and they provided a ton of great security tips for everyone who attended.

Website Update

Chris Jennison joined us to discuss the new website and provided an update on where we are exactly. Our goal is to get it operational and back to being used by the community. Chris and Billy Ruppert are working to move our website from WordPress to square space which is more consumer friendly. Swimteam created their own new website using Swimtopia. This new system has calendar functionality, password protected pages, better pictures and storage capacity. It can utilize PayPal which we may use one day. The boyscouts are interested in using our website too perhaps. Chris thought it would take 2-3 months before the new site is ready to launch.

The meeting was adjourned at 9:00pm. We will not host a meeting in August, so the next scheduled meeting will be September 25, 2018
