Summer Entertainment Series

The first movie night is June 1.

Chris has set dates for three music events, 2 for adults and 1 for kids. Groups will include Double Crossed, a classic rock band, and the Kominskis.

Spring Thing

The 2019 Spring Thing has been scheduled for May 11. It will be held at the parking lot at the pool.

Yard Sale

The 2019 yard sale will be held on June 1. Linda will contact Steve Demming to do the map for remote vendors. Nancy will contact Paulette to see if she will supply a dumpster.

Bugle

The Bugle will be ready for printing tomorrow night.

The next issue will be for June. The deadline for articles is May 17.

July 4 Activities

No one has volunteered to chair the events. Lilla will write a letter to the fire department and the boy scouts to schedule their participation. Nancy checked the Dolphins swim schedule and there is not a swim meet on that date. Lilla will try to get the same entertainment as last year. Elliott will provide Lilla with addresses that have changed hands in the neighborhood to try to identify helpers.

Summer Forums

Nancy is working on setting up the summer forums. Options include a County transportation representative, the police and someone from the Montgomery County Historical Lecture Series. The lecture can focus on the Underground Railroad or archiving personal documents.

The meeting was adjourned at 8:50 pm. The next meeting is scheduled for May 28, 2019.
