OLD BUSINESS

Minutes

The minutes of the last meeting were reviewed. A motion was made, seconded and passed to accept the minutes as prepared.

Entertainment Series

Final movie will take place on Sept. 3rd. John has his two helpers setting up that night as he will be out of town. Kye set up the last movie on August 6th and all went well. Small crowd that evening though for the Sound of Music, maybe 25 came. The second music night was a huge success with the Kominski's and other neighborhood grown adults in the band. We had a solid 50 in attendance on August 20th and a beautiful evening too. The snack bar was opened, and everyone had a great time. John mentioned that he would be willing later this fall to send the members of our listserv a survey to see what types of movie and music folks would like to hear and see next summer to help inform our programming next year.

NEW BUSINESS

Treasurer's Report

The Treasurer's Reports were reviewed and accepted as prepared.

Membership

The letter for membership renewal has been updated and will go out later this fall. Linda plans to use the mailhouse used by the BPRC this year to see how that goes.

Guests in attendance tonight

Max Bronstein brought a guest tonight to our meeting, Gustavo Torres(14004 Beechvue Lane) and John Bogasky brought a neighbor John Wagner (13412 Hathaway Dr.). Both spoke with us about their experiences in the neighborhood and we highlighted our programs. We encouraged both to come again, and consider joining the board. Gustavo mentioned he would be willing to write for our Bugle on Latino issues in our community.

Next Meeting

The next meeting will be September 27, 2016 at 7:30pm in the Rec Center. The meeting was adjourned at 9:00 pm.
