Minutes

Minutes from the October 2019, meeting were reviewed and accepted as corrected.

New Business

Treasurer's Report

John presented the Treasurer's Report.

The Bugle

We need an article for Maury Potosky for the next issue of The Bugle. Max Bronstein has written something already. We will contact him.

Memorial Tree

The Board approved the purchase and installation of a tree in honor of Maury Potosky's service to the community over the last 40+ years. Nancy will speak with Charlotte Potosky to see what type of presentation she would like. If she would like to have a memorial service, we will put a program together.

Parking Problem on Blue Spruce

A neighbor contacted us about the number of cars and vans parking on Blue Spruce. Currently, 25-30 vans are parking on both sides of the street. She is requesting the County issue permits for parking on Hewitt Avenue and Blue Spruce. A petition has been initiated and is circulating. There is a \$250 fee to apply to the County. We discussed whether Bluff Point and/or Bethpage will be affected, and should they also request permitting. Once the petition is complete, Nancy will write a letter to the County.
