Spring Activities

We will discuss our spring activities at our February meeting.

Boy Scouts

Jackie Moeller has been looking for ideas for Eagle Scout projects and associated funding. Elliott had a suggestion for a potential project. The water in our neighborhood flows into two watersheds, the Rock Creek Watershed and the Anacostia Watershed. He proposed we sponsor a project to document and mark the flow of the water. There are some existing maps that designate the water flow, but they are very vague. He suggested we sponsor the project and fund the cost of the markers. The Board thought this was a good idea. Elliott will talk with Jackie.

Next Meeting

The meeting adjourned at 8:20 pm. The next meeting will be held on March 23, 2021.
